Dear Parents/Guardians and Students,

Throughout the year Marymount enters in the Knockout competitions and inter-school carnivals for various sports. These Carnivals and Knockout games are played during school hours with Knockout teams playing until their team is defeated. Trials are held for all Knockout teams and some Carnival teams. Selection in some of these teams can lead to SAPSASA (primary) team/individual selection. In 2013, students who wish to be part of a Knockout team must participate in at least one after school sport for Marymount College. Costs for Knockout sports and Carnivals are arranged by the relevant coordinator to cover the specific transport, equipment and/or team nomination costs of that event. All students involved in Knockout sports and Carnivals will also be charged a levy to cover overall affiliation fees and TRT expenses incurred as a result of Marymount’s participation in these sports. It is essential that all Knockout and Carnival teams are supported by a parent supervisor/s on each of their game days.

In 2013 we are asking that students nominate for the Knockout sports and Carnivals they would like to have the opportunity to trial for by Friday, 8th February Week 2. Trials will be held at various times throughout the year for these teams and further details and information will be distributed at the appropriate times. Please note if your daughter wishes to or is chosen to represent Marymount in more than four Knockout sports, a discussion will need to be held with the student, parents/guardian and Base Group Teacher as this amount of Knockout sports can have an impact on student learning.
