Dear Parent/Carer

Thank you for your expression of interest in the enrolment of your daughter at Marymount College. This is the beginning of our enrolment process and I look forward to meeting with you and your daughter to hear about your hopes and dreams and also for you to hear about the outstanding educational opportunities that Marymount offers.

Marymount College is a Diocesan Catholic Girls’ Middle School, for students in year 6-9, established by the Sisters of the Good Samaritan in 1956. Marymount provides a relevant, rich and engaging learning environment, preparing girls for today and the future. Our trans-disciplinary, inquiry, concept based curriculum is designed to allow for meaningful, deep and independent learning.

Marymount, a place of belonging, has as its core purpose a commitment to developing young women of hope who will nurture their hearts and minds in the Catholic tradition and be agents of justice grounded in stewardship, hospitality, compassion and reconciliation.

Please find attached an Application for Enrolment form and the Enrolment Information Booklet. Please complete the Application for Enrolment and return it directly to Marymount College including the non-refundable application fee of $70 which is used to cover administration costs. Once we have received your application, we will be in touch with you to discuss an enrolment interview and school tour appointment time.

In the event that a place is offered by us and accepted by you, the terms detailed in the Application for Enrolment form will form part of the Contract of Enrolment. If you have any queries, please do not hesitate to contact Mrs Jen Rollins, Registrar direct on 8179 4420 or the College on 8298 2388.

Yours Sincerely

Ms Sara Scungio
Principal
