Core purpose... Marymount College is ‘a place of belonging’ committed to developing young women of hope who will continue to nurture their hearts and minds in the Catholic tradition and will be agents of justice grounded in stewardship, hospitality and compassion.

**A MESSAGE FROM YOUR PRINCIPAL**

Dear Parents/Carers and Friends of Marymount College

This week our Marymount Community will come together in tradition to re-enact the Stations of the Cross. This timeless retracing of the steps of Jesus to the Cross, imparts wisdom as a shared reflection on life and love and applies to our lives today. A warm welcome is extended to all parents, carers, families and parishioners to join a repeat of the re-enactment on Good Friday, at 12:00 noon on Sacred Heart College grounds.

On Friday, 20 March the Marymount Swimming Carnival was held at the SA Aquatic and Leisure Centre at Marion. **Polding** was the overall winner of the day and our congratulations also go to:

**Year 6 Age Champion** .......... Jasper Cormack, Polding, 50pts
Runner Up Age Champion .......... Georgia Materne, Adamson, 47pts

**Year 7 Age Champion** .......... Sophie Heath, McEwen, 56pts
Runner Up Age Champion .......... Lucy Nunn, Polding, 50pts

**Year 8 Age Champion** .......... Lauren Reid, Adamson, 60pts *(perfect score - 1st every race!)*
Runner Up Age Champion .......... Elle Nunn, Polding, 45 points

**Year 9 Age Champion** .......... Leah Jones, Polding, 58pts
Runner Up Age Champion .......... Sophia Fry, McLaughlin, 50pts

**Roma Hayward Shield** .......... **Polding**

**Swimming Shield** ............... Polding, 741pts
Second Place ............... Adamson, 677pts
Third Place .................. McLaughlin, 623pts
Fourth Place .................... McEwen, 603pts

I take this opportunity to thank all students for their effort and positive team spirit displayed across the day. Thank you to all staff who worked tirelessly to make the day a success. Thank you to families who were able to come along to cheer and support or to volunteer. Your engagement as part of this special day continues to support our belief and ongoing commitment to home and school in partnership for excellence in education.

The annual AGM was hosted on Tuesday, 17 March. Thank you to all families who supported this event. While reporting on the 2014 school year was an integral part of the meeting, of particular significance was the address of our School Captain, Bridget Morrissey and Vice Captain, Olivia Allen. While each of the student leader shared their

personal reflections on leadership and their leadership journey so far, they held a captivating audience. Both spoke of their hopes but also of their persistence, resilience and positive self-talk in achieving their leadership aspirations. In such a short span of time, both have learnt some of the challenges of leadership but also of the surprising strengths they have discovered within their own self and their desire to influence and improve our College. Bridget and Olivia were inspirational and are true Marymount ambassadors.

Nominations for the School Board were also finalised at the AGM. I welcome to the Board, continuing members: Simon Corcoran, Mark Koennecke, Karen Roberts and Tamra Topham. Re-nominating members: Ingrid McKay, Richard Melvill and Leanne Prior. A very special welcome to new Board members: Luke Naismith and Stephen Venning-Smith, who I trust will enjoy the privilege of this position as part of a team who has the strategic direction of the school at heart. I take this opportunity to farewell retiring members of the Board: Maria Chabrel, Emma Hinchey, Vanessa Anderson and Pritt Taylor. I thank each of these parents for their contributions, dedication and service to the College. I make special mention of Pritt Taylor who also served on the Finance Committee, his guidance and planning in the area of financial expertise was greatly appreciated by the Board. Specific Board elections will occur at the first Board meeting.

Teaching staff have been prepared thoroughly for Parent Teacher Interviews taking place this week. Some of your daughters’ have also prepared for the interviews and will be sharing with you their learning goals, achievements and reflections for continuing to improve their learning. I trust this designated meeting time provides you with a concise update on learning and progress.

Catholic Education South Australia (CESA) has recently released a Community Paper, Strategy for Leading Catholic Education to New Levels of Excellence. All parents and carers are invited to peruse this paper via the above link and engage in opportunities where parent voice is encouraged. Also click here for a message to families from the Federation of Catholic School Parent Communities. In summary, the strategy presents key initiatives that CESA will introduce in continuing to offer excellence in Catholic education:

1. Clear pathways and transitions for children and students
2. Expansion of Early Years Services
3. School structures that meet the learning needs of students
4. Regional collaboration between Catholic schools and early years services to best meet the needs of families and communities
5. Placement of resources where the need is the greatest.

During 2016, Marymount is celebrating the 60th Anniversary Year of our College. I am calling for interested persons to be part of a planning committee for this special event. If you are interested in supporting the work of this committee in the planning for this occasion, please email jrollins@mc.catholic.edu.au to register your interest.

As we enter Holy Week, the most solemn in our Church calendar, we walk alongside Jesus in our own journey of hope, forgiveness, faith and healing. In anticipation we then await the joy of Easter and the resurrection of the risen Christ. I wish all families a hope filled and blessed Easter and a restful and rejuvenating school break for your daughter during the upcoming Term 1 school holidays.

God Bless

Principal

STEWARDSHIP: seeing creation with a loving eye
This year we will continue to access articles for families from the Michael Grose, Parenting Ideas. We trust that you find these useful.

This week we have 2 articles: 10 Research backed tips for raising happy kids and Help your child achieve more. The second article talks about parent and teacher partnerships and comments that the best outcome is when both parents and teachers work together to support their child’s learning. As a staff, we look forward to our meetings this week with families and students, so that this partnership is strengthened. We have also included a video clip What’s your family brand? that talks about discussion as a family on the values that are important to you all.

Next Tuesday at 10:10am, we have a whole school assembly. Parents are welcome to attend. Some girls will be presented with Principal Awards and invitations have been issued to these families. This will be our last time we come together as a whole school for this term.

Finally, I wish all families and students the best for the Easter season and the upcoming school holidays. If we truly value what Lent calls us to do, Easter will be a time when we do not sing “Alleluia” simply because Jesus rose from the dead but because, we have also risen with him, following his healing, scattering light to ignite in his name where we are.

Kind regards
Leone Coorey
Deputy Principal

Thank you to those who joined us for the Year 7-9 gathering! It was great to observe such a positive buzz of meeting old and new friends and building positive relationships - always an important part of our Marymount Community!

Next Meeting
Wednesday 1 April in the Resource Centre - as parent/teacher interviews are also on this night, please join us in Resource Centre when possible.
(Meeting dates: First Wednesday of each Month)

5:00pm at the Cathedral of St Francis Xavier (39 Wakefield Street Adelaide). FREE admission. For further details, contact Dr John Rego, Director of Music on 8210 8165 or jrego@adelaide.catholic.org.au.

If your daughter is going to be absent or late to school, please ring the Absentee Line on 8179 4444 (before 9:00am) in the first instance to notify the school. You may also wish to send a follow-up email to your daughter’s teacher for work or to give further details.
Sacraments
Preparation for Confirmation and Communion has begun this week. May God’s spirit come into the lives of the students, their family and group leaders, preparing for Confirmation and Communion, to guide them during their spiritual journey and allow them a continued rich and meaningful relationship with God.

Vinnies Week
Please send along pre-loved/or new socks, warm blankets, warm clothes and any other items. If you are able to support this focus, please send the goods along and place in boxes provided under the stairs in the Adamson building.

Catholic Archdiocese of Adelaide ANZAC Eve Mass at 5:45pm
The ANZAC Eve Mass is followed by a procession to the War Memorial where the youth vigil takes place overnight. If you would like more information please contact the Adelaide Cathedral Parish. We will also have two Marymount representatives, our school captains, involved in laying a wreath at the Brighton dawn service.

Easter
Lent ends on the evening of Holy Thursday. The Church then celebrates the three holiest days of the year. We call these days the Paschal Triduum (‘Triduum’ is a Latin word meaning ‘three days’ and the word ‘paschal’ means ‘Passover’). These three days, counted from sunset on Holy Thursday to sunset on Easter Sunday, are the Christian Passover feast. Please click here to see Brighton Parish Holy Week and Easter timetable.

A group of Marymount students will be conducting the Stations of the Cross representative of the Brighton Parish on Good Friday at 12 noon at SHCS - we would love to see your support in attendance of this service.

Easter Blessing
Let us put ourselves into the hands of the Lord,
And pray that God will bless us and our families during the coming holy days.
May each of us help to make our homes places of joy, love, peace and safety.
May we be generous and considerate, helping others keep the celebration of the dying and rising of our Lord and Saviour, Jesus Christ.

Wishing you a loving time with your family over Easter, as we remember Jesus at the heart of our gatherings, prayers, in our actions and words.

Kind regards

ALDINGA CAMP
By Paris and Sophie

Aldinga camp was an overnight trip to a caravan park where all students stayed in cabins. We went on this camp to bond, make friends with new people and to find our spirituality. The drive from Adelaide to Aldinga wasn't that long, it only took around 45 minutes. The first day at the camp we focused on different spiritual activities, such as writing in our camp booklet and drawing what was around us. After all the activities we got time for ourselves to either chill out in our rooms, go in the pool or play on the jumping pillow and playground.

On Day Two the instructor took us on a bush walk through the Conservation Park down the road from the camp site. We looked at the different things you would find in the wild, like the different foot prints in the sand and what animal made them. He showed us how Aboriginals would make boomerangs and different tools back when there wasn’t any technology to help us. We also participated in a range of team building activities and cooked our own mini dampers on the BBQ. It was a fantastic two days that we all enjoyed!

HALLETT COVE CONSERVATION PARK
In Geography and Science, the Year 8’s have been learning about different types of rocks, weathering, erosion and landscapes. We travelled to Hallett Cove Conservation Park by train and walked through the Conservation Park. On the boardwalk we observed the rocks and landscape surrounding us. While walking, we filled out a booklet which had questions about the wind, what impact the waves were having on the land and what impact humans have had on the park in the past and now. We took photos that we later used to annotate and demonstrate our understanding of the value of landscapes. I thought it was a great way to get a visual understanding for our learning.

By Chloe

The classes of Topaz and Opals went down to the Hallett Cove Conservation Park. Each of the students were given a booklet to complete as they walked along the paths until they reached the end of the walk. The questions included things like: how many waves broke per minute, what types of waves there were and many more. It was very interesting to see all of the different native flora and natural formation of rocks that formed into some very interesting shapes. From each of the observation decks it was quite easy to see the waves breaking and gave you a great view of the ocean and beyond. We had some questions about impact, which I think many people thought about twice, with where their rubbish would end up if left on the ground. Overall the two year eight classes had fun, along with the long walk from start to end. The Conservation Park definitely made us think twice about things like littering and even building more homes and how it can impact the slightest things.

FIRST AID
By 8 Topaz

As part of our health lessons an instructor came from St Johns to teach us basic first aid. We learnt about DRABCD and practised how to do CPR on a dummy. We also learnt what to do if someone breaks a leg or arm and what to do if you get burnt. We found it interesting with also very useful skills for us to possibly use in the future.

CYBER SHORTS
By Imogen and Emily

A group of actors with the aim of educating young students about staying safe online came to do a performance for the Year 8’s of Marymount. The acting group Bamboo Theatre performed a play called ‘Cyber Shorts’ which was made up of three different scenarios that demonstrated what we can do about cyber bullying, how we can stay safe on social media and other useful tips about staying safe online. My peers and I learnt about the consequences of certain actions online, how people can take the messages you type in different ways than you intended and other necessary skills that will be helpful now and in the future, as we begin to rely more heavily on the internet and online communication. We really enjoyed the performance as it was relevant and interactive!

PEER MENTORS
By Emily and Amani

Being a Peer Mentor has helped students gain confidence and leadership. A Peer Mentor is a group of Year 8 students assigned to a Year 6 class to teach them social skills they will need in life, but also need to know to help transition to Marymount. Coming to a new school can be intimidating and be upsetting being away or split up from your friends. Peer Mentors are also here for anyone to approach with any problems that are occurring. The Peer Mentors are selected by the teachers on their knowledge of how they act around others. Teachers see everything a student does so they choose carefully. The selected 20 students take time out of their lessons to put effort into planning a Peer Mentor Lesson and then take more time to teach it. The lessons they teach are fun, but educational. Peer Mentors are an important part of Marymount and help settle in all new students in a way that is caring and respectful. If you have a problem you can always approach a Peer Mentor without anyone else knowing.
**ACTIVITIES WEEK SURVEY**

We value feedback and would appreciate you taking a couple of minutes to complete this brief survey: [https://www.surveymonkey.com/r/MCACTIVITIESweek2015](https://www.surveymonkey.com/r/MCACTIVITIESweek2015).

**ICAS**

Each year our College enters students in competitions run by Educational Assessment Australia through the University of New South Wales. These competitions are purely voluntary and are an opportunity for those girls who like to be challenged, to compete against similarly aged students from schools across Australia, under exam like conditions. Girls interested in participating can complete and return this form. Any fees incurred will be added to your school account.

**WAKAKIRRI**

Our school is preparing to enter WAKAKIRRI 2015 - Australia’s Search for the Best Story! Our Story Dance Performance will include the students from Year 6 and 7 who are very excited to be taking part. They will be participating in an unforgettable experience; by being involved in the creating, preparing and performing of our Story-Dance item – a story told to music using creative movement, dance and drama.

In the coming weeks, the students and teachers will be looking at who and how people will be involved, the Story outline and the plan for the weeks ahead before show time in Term 3. We would love the support of parents so if you can help in any of the following ways, please contact me. Perhaps you:

- Can assist with props and set making.
- Are able to arrange some catering for Rehearsals and Performance day.
- Have contacts for transport (students and/or props & sets to the venue on show day).
- Can help with fundraising & Sponsorship.
- Stay tuned to the website [www.wakakirri.com](http://www.wakakirri.com) and subscribe to Wakakirri to keep updated with the Wakakirri Story.
- Purchase tickets to the Show to see your child and school perform LIVE at a Professional Theatre.
- Have skills you can offer the group; costume making, choreography, story ideas, make up and Hair designing.

In the meantime, for more information and updates, check out [www.wakakirri.com](http://www.wakakirri.com). We look forward to sharing our 2015 Wakakirri Story with you!

**6th WEEK OF LENT**

**Vinsen from Indonesia**

**Sustainable food for life**

Until recently, the weather in Vinsen’s small farming village in West Timor has been quite stable. However, in the last few years changing weather patterns have made harvests unpredictable and unprofitable.

To combat the variable weather patterns affecting farmers in Vinsen’s village in Indonesia, a local community program supported by Caritas Australia, is teaching farmers how to terrace land and grow sustainable crops for life – regardless of the changing weather.

Your donation to Project Compassion helps farmers in remote West Timor create a lifelong source of food, improving the future wellbeing of their families and communities.

**THANK YOU!**

Caritas Australia would like to THANK YOU for supporting Project Compassion. If you still have your Project Compassion box or set of envelopes at home, please bring them back next week or visit [www.caritas.org.au](http://www.caritas.org.au) to make your donation online.

Thank you for supporting programs around the world that provide vulnerable people with the skills and opportunities they need to establish sustainable food sources for life.

**STEWARDSHIP: seeing creation with a loving eye**
**FINANCIAL INFORMATION FOR 2015**

**Reminder - Fee payment for term 1 and annual fees due by 31 March**

As detailed in the Marymount College Fee Policy, Term 1 fees are due by 31 March 2015. If you are paying the annual fees upfront to receive the 5% discount, please note this payment is also due by 31 March 2015. Non timely payment of tuition fees invariably applies pressure to the resources available to deliver curriculum to the students. We ask that if you have not finalised your Term 1 or annual fee payment and have not entered into a regular payment plan to cover your fees, that you contact the Finance Office to discuss.

Tuition Fees are due in three instalments - due 31 March, 12 June and 4 September 2015. Fees can be paid by cash, cheque, EFTPOS (Visa or Mastercard), B-Pay, direct debit or via Centre link deductions. Any parent/carer who would like to pay fees via regular direct debit from their bank account or credit card are advised to contact the Finance Office to arrange. All parent/carers are reminded that it is a contractual obligation that forms part of your enrolment at the College that fees are paid within the terms of our fees policy. Fee statements will be sent to each family at the commencement of each term (week two).

**Reminder - Early Payment Discount**

Parents/Carers are reminded that a further discount of 5% will be applied to the net tuition fee payable (tuition fee less family discount) after payment of all fees, if paid upfront in full by 31 March each year.

**School Card for 2015**

School Card application forms are available from the Finance Office for parents/carers who need to apply. This needs to be re-applied on an annual basis. **Applications for the 2015 School Card scheme close 13 November 2015.** Eligibility criteria for 2015 is as follows:

<table>
<thead>
<tr>
<th>No. of dependent children</th>
<th>Gross annual income limit</th>
<th>Gross weekly income limit</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 child</td>
<td>$36,576</td>
<td>$704</td>
</tr>
<tr>
<td>2 children</td>
<td>$37,574</td>
<td>$724</td>
</tr>
<tr>
<td>3 children</td>
<td>$38,574</td>

The School Card Scheme is administered by the State Government to provide financial assistance towards the cost of education for full time students of lower income families. Any parent/carer who would like more information about the scheme can contact the Finance Office at the College or the School Card section on 1800 672 758 (freecall) to discuss or visit the link below:

**Fee Remission for 2015**

Parents/carers experiencing financial difficulties in meeting their fee obligations can apply for fee remission. Application forms for fee remission are available from the Finance Office. We assure parents/carers that all details provided will be kept strictly confidential. Fee assistance needs to be applied for on an annual basis, so if necessary you will need to apply for assistance each year if required.
