Marymount has had a very busy term with regards to its Curriculum Extension Activities (CEA) program, finishing the Term 1 season with great success.

Our Year 8/9 Volleyball team, Marymount Blue, lead by Anna Baronian, won the premiership with a win over St Mary’s in the Grand Final. Two of our Badminton teams played off for 1st and 2nd place with Marymount Navy taking the honors over Marymount Red. Finally our Marymount Navy Tennis team finished minor premiers in their division but were unable to play in the finals due to Discovery Week.

It has been enjoyable to watch many of you keep active and participate in any one of the 22 Marymount after school sports teams.

Thank you to everyone for being committed to your teams each week and for regularly turning up to training sessions and games on time.

Marymount fought hard in the sports of Miniball and Basketball, Volleyball, Badminton, Touch Football and Tennis this term.

Term 2/3 After School Sports are now underway. Students playing sports should have their respective programs. These programs are also accessible on the college website or you can email the sports office via sports@mc.catholic.edu.au.

Marymount has entered teams in the following competitions: Year 6/7 Spikezone Volleyball, Saturday Soccer and Netball; Year 8/9 Saturday Morning Badminton, Soccer and Netball, Wednesday Netball, Tuesday Volleyball and 9-a-side Football starting on 28 July. Debating and Pedal Prix are also in full swing.

Marymount def Plympton Primary School

On Wednesday 22 May, the Yr6/7 Knockout Football team travelled to Plympton Primary to play their Round 1 game against Plympton.

For many of the girls, this was their first real taste of playing Aussie Rules Football in a competitive environment. However, this didn’t deter the team as some exceptional tackling and pressure was shown, that could possibly put some adult footballers to shame!

• Year Six student Sarah Goodwin starred with 4 goals from the midfield.
• Hatti Cox, Laura Sargent and Eloise Rowe all showed exceptional poise and skill in their roles.
• Sophie Allen, Chloe Dumesny and Millie Cooper proved to be a brick wall when the opposition tried to bypass their strong tackles.
• Year Six students Ella, Jas, Mia, Lucy and Kenzie showed that age and size doesn’t matter when you have a desire to win the contest.

**Final Scores:** Marymount 10.2.62 d Plympton 1.0.6

**Goal Kickers:** Sarah Goodwin 4, Chloe Dumesny 2, Laura Sargent 2, Hatti Cox 1, Sophie Allen 1

Knockout Netball
Darren Elliott Team Coach
Congratulations to the following girls who earned selection in this year’s Marymount SAPSASA Knockout Netball Squad: Sophie Allen, Eloise Rowe, Hattie Cox, Georgia Read, Mersade Fraser, Lucy Bond, Chloe Dumesny, Arabella Day, Chloe Thomas, Amber Carroll and Olivia Burford.

After being granted a bye in Round 1, our opening match was a home game against Brighton Primary School. This resulted in a strong win, 50 goals to 12.

On Tuesday 21 June, we played St Peter’s Woodlands in our Round 3 encounter. In a tight and see-sawing game, our girls came back from a half time deficit to prevail by three goals at the final siren. This hard fought victory sees us progress through to the “Round of 16” in the competition and if we are fortunate enough to win our next match we are through to the quarter finals stage. The team has represented their school with terrific effort and sporting spirit to date and I look forward to the continuation of our journey in Term 3.

Round 1
Congratulations to the following Yr8/9 girls who competed at the carnival in Week 2 of Term 2: Milly Clarke, Tessa Kohn, Lauren Reid, Abby Thorne, Sophie McLaughlin, Maisie van der Jeugd, Jordan Sanderson & Renee Roberts. Our results for the carnival were:

drew with Marryatville 1-1,
defeated Seymour 2-1,
a 4-0 victory over Adelaide HS... and we finished the day with a 5-0 win against Cornerstone. To qualify for state finals day we needed to finish top two out of the five competing schools. At the end of the day we were 1st overall and so we’ll be part of the state finals day, 2nd June at Touch Headquarters on Greenhill Rd. Good luck to the team as they prepare for the challenge of the state finals. Despite the constant rain and gale force winds, the team played with terrific skill, enthusiasm and spirit and were a credit to themselves and their school.

Finals Day
Congratulations to the following Yr8/9 girls who competed at the State Championships Grand Final Day on Thursday 2 June: Jordan Sanderson, Lauren Reid, Renee Roberts, Milly Clarke, Tessa Kohn, Mia Romeo and Maisie van der Jeugd. Regular team members, Abby Thorne and Sophie McLaughlin were part of the earlier qualifying carnival but unfortunately were not able to participate at the State Championships due to injury.

Eight teams had earned a spot at State Day and were divided into two pools of four teams. Our Pool B results were:
defeated by Tyndale 1-7,
a 4-1 victory over Pembroke,
a 3-4 loss to Tenison Woods.

With these results we finished third in Pool B. The “cross over” semi finals were next. Our semi resulted in a hard fought 0-1 loss to Golden Grove. Our final match for the day was the play-off for 7th and 8th against Pembroke. As the rain tumbled down, we raised one last proud effort which resulted in a convincing 5-2 win over Pembroke. The team played with terrific skill, enthusiasm and spirit and were a credit to themselves, their families and their school. Our standard of play improved significantly through the initial carnival, our training sessions and State Day. The players gave their all and were worthy representatives of a proud Marymount sporting tradition. A big thank you to the parents who supported the team in a variety of ways on both carnival days.

Pedal Prix

Congratulations to the Marymount College Racing Teams who competed in the Australian International Pedal Prix, Race 3 (a six hour event) at Victoria Park on the weekend.

It was a fine day for racing and excitement was building early in the morning, for what was expected to be a fast and furious day of racing. Anticipation was at an all-time high as we rolled out the new look vehicles - Amelia (Yr6/7) and Penelope (Yr8/9) promising to be competitive.

The students have been preparing since Term 1 with regular fitness training and vehicle competency and this was evident in their performance last Sunday.

The maintenance team has been working tirelessly since the 24 hour race in September last year, rebuilding the bikes and have now developed the bikes to be more streamlined and competitive. Our parent support crew have seamlessly taken on various roles such as marshalling, fundraising, pit crewing and timing to mention a few, which makes for a successful racing team.

Team Amelia completed 102 laps, 22 more laps than the last time she competed at Victoria Park, placing them 31st out of 66 in their category. During the day we were vying for a podium position in the all-girls category and we came 3rd! The fastest lap was lap 4 by Megan Blyth with a time of 2min14 and an average speed of 38km/h.

Team Penelope completed 109 laps, 18 more laps than the last time she competed at Victoria Park, placing them 34th out of 47 in their category. The fastest lap was lap 93 by Jacinta Henderson with a time of 2min37 with an average speed of 35km/h.

The Marymount College Racing Teams will continue to keep training hard to be fitter and stronger for our next six hour event at Victoria Park on Sunday 31 July. We invite spectators to come to Victoria Park and support the college team sand watch some exciting and furious racing for the day!
